

# Eye Witness Annie van Bindsbergen

Easter Sunday 1940

On the Sunday it was cloudy and still, when suddenly, there was a loud noise behind one of the clouds and an airplane came down right in the Babberich area. My father ran to it as quickly as he could and saw how\*\*\*\*\*

Of his body \*\*\*\*\* because all the people ran over and we didn't know who or what it was, and now I see it in the newspaper.

This report was hand written and some bits could not be deciphered.
